Richmond Red Cross Pharmacy Donates Solar Glasses to Schools

The Richmond Red Cross Pharmacy is donating safe solar eclipse viewing glasses for the entire Richmond School District (including students pre-K to seniors, staff and administration) and for the Head start children and staff located at Missouri Valley Community Action Agency. They are also including an education sheet provided by NASA, with each pair of glasses explaining what the solar eclipse is. Thank you Red Cross Pharmacy for supporting our local schools!

From the President's Pen

Dear Members and Friends:

It has been an honor to serve as President of the Richmond Area Chamber of Commerce over the past year. I want to thank our past and present officers, distinguished Board of Directors, and especially our members and sponsors, who are the foundation of our Chamber, for their support. To all the volunteers, thank you for your commitment and time to be a part of the Chamber. We have had a great year! Our events have been well attended and a big success!

I am particularly grateful to our Executive Director, Natalie Lamar, whose tireless efforts are to be recognized. She has maintained an extraordinary resilience over the past year and has most efficiently, with responsibility and passion, executed the work of the Chamber.

As we move into the 2017 -2018 year, I believe the current board carries the knowledge and creativity to continue the Chamber's mission, embracing the changes and celebrating the opportunities that present themselves along the way. As Bob Dylan sang "The Times They are A-Changin'" and we need to continue to find the "Unity that Creates Community" in our future. Join together for the good of all businesses in our community. Remember this is your Chamber and you can help make a difference when you get involved. This has truly been a joyful experience as we shared a common vision, to create an extraordinary chamber.

Thank you again,

See you around town!

Tonya Willim
 Richmond Area Chamber of Commerce
 President 2016-2017
