From the President's Pen

Wow!! July is here. Can you believe it? What a great summer so far. So many activities and things going on... The Richmond Chamber had a great turn out for the 2017 Chamber Golf Classic Christmas in June at Shirkey Golf Course. There were 10 teams that participated in this year's event. Thank you to all of this year's golfers and sponsors. All proceeds from this event go to maintain the Richmond lighted Christmas displays.

At the Richmond Chamber, every member of our Team including staff, board members, committee members and event volunteers, are proud of the work we do to represent and support our community. You, as a Chamber member, but more importantly a community member, have a vested interest in this community's success. The overall economic climate always needs work for your firm to thrive and for people to have jobs. As you all have noticed, Dollar Tree is looking good with an opening date in a few months. The HARP's grocery store has ground moving to begin building their store. We have had 6 new businesses since October, 2016 start up! Things take time, but, Richmond is moving in the right direction. Your participation is critical to helping the Chamber help the community, your time, talent and ability is always needed. Just get out and help your church or community organizations in which you believe. When we find opportunities to raise the bar for our community in every area, we all succeed. It is not easy. It takes lots of discussion and energy as well as time. Unity Creates Community!!

It is special to see our work come successfully to fruition on many different levels. An example of successful community camaraderie is the June 30th American Celebration which brought nearly 2,000 people to the park and of that 300 at the Southview Pool, and even more viewing in the surrounding area. Many thanks and appreciation to all the Sponsors, Chamber Staff and volunteers who helped make this become the Best American Celebration yet.

Remember the Farmer's Appreciation Picnic and After Hours on July 19 from 6:30 to 7:30 at the Ray County Fairgrounds. This is a great event and helps support our young farmers and 4-H. In addition to being enjoyable, our festivals bring value to those who live, work and visit Richmond. Our mission includes generating vitality for our community-at-large, and so I thank our TEAM – volunteers, committee members, board members and stakeholders, for making what we do so worthwhile. See you around town!
