Paper copies are available at the front desk of Ray County Memorial Hospital. This survey is completely anonymous. Completion date for this survey is October 19th, 2019. Thank you in advance for your time and support in participating with this important request.

We are now fully concentrating on completing our expansion of the lighted displays on the street light poles throughout the ENTIRE community. Thank you for your continued support! Pictured left is Brett Kuehling, handyman who was hired to remove the lights.

Dear Community Members and Business Leaders,

The Richmond Police Department has entered the planning phase of the 2019 Trick or Treat Street event. As in years past the event will be hosted by the department and will be held on Halloween evening at the City Hall gymnasium.

Many area businesses have made this annual event an enjoyable experience for the children of Richmond year after year. The Richmond Police Department is hopeful that the 2019 Trick or Treat Street will delight the little ghosts and goblins once again.

To reach that goal the Richmond Police Department is again seeking sponsors for this annual event. Businesses and individuals may donate candy and or money to purchase candy or donate small items to be given away as prizes. Volunteers are also needed to hand out the candy at each 'window' within the Trick or Treat Street.

Donations may be taken to the Richmond City Hall and/or Richmond Police Department on or before Oct. 28. A list of volunteers will also need to be compiled by that date. Please direct questions or comments to the Richmond Police Department at 816-776-3575.

Thank you for your support.

 Chief of Police
 Richmond, Missouri Police Department*
